This 7-week program will begin with PGA instruction and practice either on the practice range or the chipping/putting green. We will work on fundamentals of the game including rules, etiquette, and fun games to be played while playing golf. We will concentrate on putting, chipping, gaining distance, and put an emphasis on the basics like posture, grip and alignment. **Each week after the instruction, the golfers will take it to the course and play 3-9 holes depending on time.**

It is not mandatory but highly encouraged that parents walk along with juniors while they golf. It helps us ensure that each group of junior golfers has at least one chaperone. Thank you for your support.
